Nathan Wilhelm, Wilhelm Construction Services Inc. Young Entrepreneur of the Year Award Finalist

Nathan Wilhelm is redefining the construction and design image in Estevan through his business Wilhelm Construction Services Incorporated. Established in 2007, Wilhelm Construction is the only company in Estevan that provides clients with the ability to design, draw, plan out their spaces, and then construct them within the same firm. Nathan took his vision of meeting the building and expansion demands of Estevan, and worked hard to recruit and establish a team of qualified professionals in order to provide preplanning, accurate budgeting, architectural designs, development planning, project management, and on site work force – all within one unified company.
